#### **Cost Breakdown** *(excluding taxes)*

\$100/hour (rental of the space)

18% gratuity

\$25 fixed cleaning fee

\*\$50 Special Occasion Permit (if applicable - see below)

All beer poured from our taps will be billed to you at the end of the evening or you may pay as you go. Our selection of beer changes weekly, so we cannot guarantee any particular beer will be available.

If you would like to serve wine/spirits during your event, we will purchase a SOP (Special Occasion Permit) through the AGCO and you will use that document to purchase your own alcohol at the LCBO. All receipts from your purchase(s) must be sent to us prior to the event. No outside beer is permitted. All alcohol must be served by a TSBC staff member.

#### **Catering**

You are free to supply your own food or choose your own caterer; finger foods and food stations work best in our space. We do not have a kitchen on-site, so all food must be prepared off-site. Please bring your own serving dishes, utensils, napkins and tablecloths. We have two 6 ft. folding tables available for your use, and our staff can assist with any set-up/tear-down.

Please note **all non-alcoholic beverages** are to be sold and served by us; if you want a certain selection of juices/sodas, please let us know and we will stock it.

#### **Deposit**

Once your event is confirmed, we require a \$100 deposit (to be applied to your first hour of space rental). It is refundable until two weeks prior to the event. However, the cost of any SOP (if applicable) is non-refundable.
